Internet Branch Access Authorization Form

Please complete and return this form to the Credit Union at the address listed above.

YES, I would like to have access to my account(s) through Internet Branch.

Account #'s (as they appear on your statement): _____

Primary Owner Name: _____ Joint Owner Name: _____

Primary Owner's Social Security Number: _____

Day Phone: _____ Home Phone: _____

E-mail address (required): _____

By signing below I direct LM Federal Credit Union (the Credit Union) to complete funds transfers as authorized by me via the Credit Union's Internet Branch system using my Personal Identification Number (PIN), as may be changed from time to time by me or under my request by the Credit Union, on the primary Member Account Number as reflected above, and between, to, and against the sub-accounts established within the primary Member Account Number structure, including shares, secondary shares, checking, money market, and loan accounts. I further authorize the Credit Union to transfer funds to the accounts listed in the "cross account" section below. I understand that I cannot initiate transfers on Certificate and IRA accounts through Internet Branch. By signing below, I agree to the terms and conditions of the Credit Union's Electronic Funds Transfer Disclosure, which has been provided to me. I understand that in disclosing my PIN to anyone, I am providing that person with the authority to perform transactions on my account(s) through Internet Branch until I revoke such authority by changing the PIN or by notifying the Credit Union and obtaining a replacement PIN. I further understand that I cannot initiate requests for funds transfers through the E-Mail feature of the Credit Union's website and agree that the Credit Union is not responsible or accountable to act on any such request I may send.

Signature of primary member Date

Please Note:

Existing Touch ToneTeller users: You may use your existing Touch Tone Teller PIN to access Internet Branch.

Members who have not used Touch Tone Teller: Your initial personal identification number (PIN) will be the last four digits of the primary owner's social security number. You may establish your own unique four digit PIN by logging onto Internet Branch and changing your PIN through the Member Services option.
